Construction

- 1-3/4" DOOR**
- Composite capped LVL stiles
- Full composite rails
- Square edge design
- Polyurethane foam core
- Fiberglass facing
- 12" lock block
- 20-minute fire rating construction available

Every JELD-WEN Exterior Door Unit is prehung in an approved frame system that provides the very best in engineering and functionality while offering an exceptional variety of options.

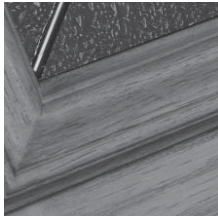

The Basic Door System includes your choice of door, prehung on 1½ pair of 4x4 self-aligning zinc dichromate hinges in a 4⁹/₁₆" Primed Jamb (with a Limited Lifetime Warranty) prepped for a lip strike. Primed brickmould casing completes the exterior. The mill finish aluminum sill is provided with an adjustable threshold, sill horns and protective sill cover. Weatherstripping includes compression frame weatherstrip, bulb & fin door bottom and corner seals.

Astragal – All double door units include a White Ultimate Flip Astragal. Matching wood veneers are also available.

All Smooth-Pro doors are backed by a Limited Lifetime Warranty. For complete warranty information visit jeld-wen.com.

Trisys Frame is a three part dry glaze seal system which requires no screw hole plugs and delivers a pleasing appearance while providing air and water tight performance.
